Long Island University

Entering its ninth decade of providing access to the American dream through excellence in higher education, Long Island University is a multicampus, diverse, doctoral institution of higher learning. One of the largest and most comprehensive private universities in the country, Long Island University offers almost 600 undergraduate, graduate and doctoral degree programs and certificates, and educates more than 18,600 credit-seeking students and 5,900 continuing education students in Brooklyn, Brookville (C.W. Post), Brentwood, Riverhead, Rockland, Westchester and Southampton. The Arnold & Marie Schwartz College of Pharmacy and Health Sciences prepares students for successful careers in the fields of pharmacy and health care. The University's Global College offers a wide range of study abroad options at overseas centers in China, Costa Rica, Japan and South Africa.

Long Island University's more than 650 full-time faculty members provide outstanding instruction, which is supplemented by internships and cooperative education opportunities. The accomplishments of more than 162,000 living alumni are a testament to the success of its mission – providing the highest level of education to people from all walks of life. The University's NCAA Division I and II athletic teams, nationally renowned George Polk Awards in journalism, Tilles Center for the Performing Arts and Long Island University Public Radio Network (WLIU-FM and WCWP-FM) provide enrichment for students and the community.

Providing access to the American dream through excellence in higher education since 1926.
