List every College, University and other post-secondary school you have attended beginning with the most recent.

College/University	City/State	From	To	Degree Received	GPA

Acceptance as a visiting/personal enrichment student does not constitute acceptance into a degree or certificate program. When applying to a degree granting program, a regular graduate application must be completed, submitted with all required documentation and accepted according to policies established by Long Island University and as outlined in the graduate bulletin. Credits taken for personal enrichment are not automatically applied to subsequent degree or certificate programs in which I register, but will be taken into consideration by the academic department.
