Long Island University

Admission Requirements

- All high school juniors and seniors currently enrolled in LIU Post's A.C.E., S.C.A.L.E. and F.A.S.T. programs, who are in good standing, are automatically eligible.
- All other high school candidates (juniors and seniors) must be enrolled in an accredited high school with serious intentions to pursue a college education.
- Candidates are expected to have a minimum "B" average in all previous school work (high school transcript required).
- Course credits can be transferred to other universities. (It is the responsibility of each student to check with his/her intended college/university to verify acceptance of credits.)
- All applicants must complete and submit the Summer College application at least one week prior to the start of the first class.
- Courses, once completed, will be recorded on official LIU transcripts, which can be ordered through the LIU Post Registrar's Office.

Tuition Costs

Tuition: The program offers one of the lowest tuition rates available for an accredited college course in the northeast. The cost is $455 for three undergraduate credits
Textbooks: Students are responsible for payment of their own textbooks.

Advising and Questions?

If you need assistance selecting a Summer College course or to register, please contact Michael Santoro in the Summer College office at **516-299-3741** or **post-summerwinter@liu.edu.**

How to Apply

Applications can be downloaded and printed from liu.edu/post/summercollege. Complete and submit the "Summer College Application & Registration Form" no later than two weeks before the beginning of the course start date. Please fax the application and a copy of your high school transcript to (516) 299-3939 or mail to the address below.

LIU Post

Discover your true potential this summer at LIU Post

Find Out How Good You Really Are this summer. LIU Post offers academically talented high school juniors and seniors the opportunity to earn undergraduate credits this summer at a fraction of the regular cost of college tuition. When you enroll in a Summer College course at LIU Post you will become part of a select group of high school students studying side-by-side with college students in classes taught by renowned faculty. The five-week Summer College Program lets you experience college studies at a comfortable pace and in a supportive environment while earning college credits. This is a great opportunity to enhance your college applications, boost your high school performance, and expand your intellectual growth.

Don't Miss Out...

Earn Three College Credits for Only $455

Take a College Course Not Found in Your High School Curriculum

liu.edu/post/summercollege

Program Highlights

- Take a college course with other university students
- Earn up to six undergraduate credits transferable to most accredited colleges and universities
- 5 week session for only $455
- Select any course from our Summer College Schedule
- Small classes averaging 20 students

Are you a member of LIU Post's S.C.A.L.E. and A.C.E.* Programs?

High school students participating in LIU Post's S.C.A.L.E. (Secondary Collegiate Articulated Learning Experience) and A.C.E. (Accelerated College Entry) programs can benefit from Summer College by earning additional course credits and apply them to future college studies.

The S.C.A.L.E. and A.C.E. programs offer LIU Post courses to advanced high school students in more than 80 Long Island school districts. Any new student enrolling in the fall but not currently or previously enrolled in S.C.A.L.E./A.C.E. through their high school may have the opportunity to enroll in Summer College and receive the Summer College discounted tuition price.

Unbeatable Campus Location

As a student in the LIU Post Summer College program, you will study at one of the most beautiful, historic and scholarly settings in the country. Our 307-acre private campus is located on the north shore of Long Island, in the Village of Brookville, which is ranked one of the most desirable communities in America. Our campus grounds feature beautiful gardens, an arboretum and horse-riding trails. During your time at LIU Post, you will have access to many of the amenities afforded to LIU Post students. You can use our computer labs to connect with friends, work on group projects and complete assignments. Our research library can't be beat. You will have access to 2.8 million volumes and databases of information in every field of study. Hillwood Commons serves as the social hub for campus life and houses impressive dining facilities and wireless study lounges.
