**Accessible on campus and off-campus (with a valid LIU ID barcode)**

**For online access:** Go to Brooklyn Campus Library website http://www2.brooklyn.liu.edu/library/

Click on **Online Databases** under the **Electronic Resources** heading. Select **F** from A-Z list of databases or click on the **Subject** access to databases and then click on **Pharmacy.**

## Library Resources

**IPA- International Pharmaceutical Abstracts:** IPA is an abstracting and indexing service covering all aspects of pharmacy.

**EBSCO A-to-Z LinkSource** (Previously Serials Solutions)**:** This tool is used to determine if a journal is available in full-text format in one of the Library's subscription databases.

**To access**: Go to Brooklyn Campus Library website http://www2.brooklyn.liu.edu/library/ and select **Online Databases** under the **Electronic Resources** heading.

**For a list of additional useful websites visit the International Drug Information Center's website**

## Having problems accessing databases off-campus?

Remember, you need a valid LIU ID barcode for remote access to databases available through the Brooklyn Campus Library's website. To obtain or reactivate your barcode go to the 5th floor of the LLC building.

**Still having problems?**

During Library hours contact:

- Circulation Department (718-488-1338) for problems using your barcode
- Reference Department (718-780-4513) for problems using the databases

When the Library is closed, e-mail technical support (rpa@liu.edu)
