# FLAG FOOTBALL SPORTS CAMP

An ideal way to introduce young children to the game of football, or for those young athletes who want to brush up on their skills and become better players. Campers will learn skills/techniques on both sides of the ball (passing, catching, route running, ball security, de-flagging, positioning and agility drills) presented in a fun, positive and competitive environment.

Working with LIU coaches and players from our men's and women's teams will give your child the skills, fitness and drive to succeed on any pitch. All drills and scrimmages will be held on LIU Field, the Blackbirds home turf.

# STRENGTH & CONDITIONING

## SPORTS CAMP

This week-long strength, speed & conditioning camp is a great way for young athletes to access to a higher level of training that will greatly enhance their athletic abilities — all while having fun. Our age-appropriate curriculum places a premium on running technique, athletic coordination, agility, balance, speed, relative strength & power as well as nutrition. These are vital components in establishing a foundation for improved athletic performance, injury prevention, and long-term enjoyment.

# SWIM SPORTS CAMP

- Starts at 8.30am and ends at 3.30pm
- July 5 - 7
- \$300

LIU Brooklyn has built a strong reputation for children's swimming instruction over the last six years thanks to downtown Brooklyn's finest aquatics facility. LIU added to that reputation with its inaugural Division I women's swim team in fall of 2015. Combining extensive pool time as well as strength and conditioning exercises — including water polo — this camp will greatly enhance the abilities of young swimmers.
