

LONG ISLAND UNIVERSITY
OFFICE OF THE PRESIDENT

MEMORANDUM

(excerpt from Memo to the Community)

TO: Long Island University Community
FROM: David J. Steinberg
DATE: October 31, 2011

The University will be working diligently over the next year to complete its decennial Middle States Self-Study Report. Reaccreditation is vital to remaining eligible for federal funding (the University now either receives or administers more than \$200 million of federal dollars annually). Measuring student learning through assessment; detailing how strategic planning and budgeting advance our mission and inform our programmatic decisions; and demonstrating our effectiveness in delivering institutional services to our students are the critical tasks for all of us, including the Board. I thank the literally hundreds within our University family who are participating in this critical University-wide effort.
