

Major Day Information Sheet

Department: BS in Health Science

Location: HS 309

Contact Person: Melissa Lent

Phone Number: 718-488-1026

Major: Health Science

Description of Major:

Health Science: The 128-credit Bachelor of Science (BS) in Health Science (HS) is a unique interdisciplinary program that provides students with a strong foundation in the basic sciences, wellness and health. The HS program is designed to:

- 1) Prepare students for entry-level positions into health field corporations, health facilities, and community settings, etc.
- 2) Offer two dual-degree tracks for students seeking admission into either the Master of Public Health (MPH) or Doctor of Physical Therapy (DPT) program at LIU-Brooklyn
- 3) Prepare students for health profession programs, graduate study or medical school
- 4) Address the needs of a number of health fields that require bachelor preparation for employment

Is a minor available? Yes
