ABOUT THE SHUTTLE

Thank you for choosing to ride the LIU Post CEP & Au Pair Program shuttle. The shuttle is available to all students taking the lodging plan during our weekend program.

To make your experience and the experience of other passengers the most enjoyable, please familiarize yourself with the following:

- If you plan on taking the train to LIU Post, please take the Long Island Railroad to the Hicksville train station to ride the shuttle bus.
- The shuttle pick-up location on Friday is at the Hicksville train station near or by the eagle statue and will drop you off at the LIU Post campus check-in location.
- Please arrive between 3:30 and 4:30 p.m. on Friday night; the shuttle bus will be waiting by the eagle statue to pick you up. The last shuttle to campus will take place right after the 4:31 train arriving from Penn Station. The N20 bus may be taken to campus, as well as a taxi-cab.
- Seats are available on a first come, first serve basis.
- Respect other passengers by placing all personal belongings either on your lap or directly beneath your seat.
- The shuttle pick-up location on Sunday will be outside the Kahn discovery center. The bus will make two runs one at 12:30 and 1:30 from LIU Post to the Hicksville Train Station.
- Please allow extra time to arrive to your destination. LIU Post is not responsible for delays or changes in service.
- Shuttle service may be altered and/or suspended due to inclement weather.
