

SUMMER HONORS INSTITUTE @ LIU

One-week intensive programs for high school students

JULY 7-12, 2013 **BUSINESS LEADERSHIP SUMMIT @ LIU POST**

Learn how to go from start-up to standout in the boardroom and beyond.

PROGRAM OVERVIEW

This five-day intensive will take you beyond the classroom to explore the real-world applications of business studies. Whether you see yourself on Wall Street or starting your own business, you'll get a glimpse of what it takes to compete in the marketplace. The curriculum is designed to spark creativity, develop decision-making and leadership skills, and help nurture your inner entrepreneur.

Program Highlights:

- Workshops with professors from LIU Post's AACSB- and NASPAAaccredited business school and guest executives.
- Topics include entrepreneurship, finance, management, problem solving, negotiation and team-building.
- Field trips to Fox Entertainment and more.

ABOUT LIU POST'S COLLEGE OF MANAGEMENT

The College is distinguished by the AACSB-accredited bachelor's degree in business administration (finance, marketing and international business, and management) and the highly coveted M.B.A. The Department of Health Care & Public Administration offers bachelor's degrees and the only M.P.A. degree on Long Island that is accredited by NASPAA. The School of Professional Accountancy offers bachelor's and master's degrees in accountancy and a master's degree in taxation.

The College of Management was named a Best Business School by the Princeton Review.

LIU Post was named a Best Regional University by U.S. News and World Report.

FACULTY SPOTLIGHT

Dr. Maura Belliveau was named one of the outstanding business school faculty members in the U.S. by Business Week, and her recent findings on gender pay inequity have been covered by news media

ranging from The New York Times to NPR. Prior to joining LIU Post, she was a member of the faculty at the Fuqua School of Business at Duke University. Dr. Belliveau holds a Ph.D. from the University of California, Berkley.

Dr. David Jalajas conducts research on decision-making, human resource management, innovation and networking. His M.B.A. classes in organizational behavior have developed business plans for local charitable organizations and

raised over \$50,000. Dr. Jalajas holds a Ph.D. from Stanford University.
