WELCOME TO LIU POST

Find out how good you really are at LIU Post! As a student here, you will enrich your life through knowledge and new experiences, career opportunities and friendships that will last a lifetime.

LIU Post is the perfect place to expand your options and to grow. Listed in U.S. News & World Report, we are a residential campus of Long Island University – one of the most comprehensive, private universities in America – which educates 24,650 students in the New York metropolitan area. We offer the individualized attention of a small private college on a beautiful and safe campus, as well as generous scholarships and paid professional internships – all of which help you maximize your full potential.

FIND OUT HOW WE CAN HELP YOU MAKE YOUR MARK.

LIU Post is known for its commitment to academic excellence and student-centered success. We offer a wide choice of bachelor's degree programs as well as accelerated bachelor's and master's degree programs. Our classes are small and are taught by a celebrated faculty of scholars, artists, researchers and scientists. These professors will work closely with you to help you master challenging courses. You also will be assigned to a full-time Academic & Career Counselor who will guide you from the day you are admitted to the day you graduate.

FIND OUT WHAT CAMPUS LIFE IS ALL ABOUT.

After class, put your feet up and relax in one of our eight residence halls. LIU Post offers traditional and suite-style living with free DIRECTV and Internet access...you can create a home away from home that reflects your personal style. Visit liu.edu/post/reslife.

You'll be in great company at LIU Post. We attract the best and brightest from 38 states and 50 countries. Our student body of 4,600 undergraduates includes high school and community college valedictorians, scholar-athletes, National Merit scholars, class presidents, and Phi Theta Kappa scholars.
