Earn your

BILINGUAL EXTENSION

or

ESOL Certification

(English to Speakers of Other Languages)

There are now 12-credit, expedited, individual evaluation pathways for certified teachers to earn ESOL Certification *or* the Bilingual Extension. These fully online programs are designed to accommodate the scheduling needs of working teachers.

In order to meet the New York State Education Department's certification requirements for the Bilingual Extension, educators must already be successfully complete certified and must NYSTCE Bilingual Education Assessment (BEA) in the language in which the extension is sought. Those seeking ESOL Certification must have taken, as part of their general education course work, 12 semester hours or the equivalent of a language other than English. If this requirement is not met at the time of admission to the program, it may be satisfied, in whole or in part (including CLEP credits), alongside the program requirements.

ONLINE CLASSES

- All four courses (12 credits) delivered online
- Unique focus on culturally responsive instruction for struggling and longterm English learners
- Accredited by TEAC/CAEP meeting rigorous national quality standards
