LONG ISLAND UNIVERSITY

1926 • CENTENNIAL • 2026

Dear LIU Community,

Long Island University is embarking on an extraordinary moment in its history. This year marks LIU's Centennial.

For 100 years, LIU has educated generations of students and advanced its academic mission. Today, the University is recognized as a leading research institution, with accomplishments across nearly every aspect of the institution, including academics, athletics, student life, fundraising, and financial strength. This moment of sustained excellence is why we have chosen the Centennial theme, *A Century of Excellence. A Future Accelerated.*, reflecting both the foundation we have built and the momentum that will carry LIU forward.

The Centennial website has launched to provide a place to explore our history, follow events, and stay connected. Participation from the entire community will shape this transformative year.

This is a moment to reflect, celebrate, and move forward together. Best wishes for a happy and healthy 2026.

Sincerely,

Kimberly R. Cline
President, Long Island University
