

STUDENT GRADE APPEAL POLICY

PURPOSE

The purpose of this policy is to establish conditions under which a student may appeal a grade.

STATEMENT OF POLICY

A grade appeal is only available before the student's degree is awarded. The basis for filing a grade appeal in any course is limited to:

- 1). Fundamental fairness in treatment of the student by the instructor, as specified by a syllabus conforming to the LIU Syllabus Compliance Policy, and
- 2). grading of the student by the instructor relative to other students in the same course and section. Issues that do not meet these criteria are not appropriate for a grade appeal.

PROCEDURES

A graduate or undergraduate student may appeal a grade by following the University's *Grade Appeal Procedures*.
