

READMISSION POLICY

PURPOSE

To establish guidelines for readmission of students who have not attended the University for one or more semesters.

STATEMENT OF POLICY

Any undergraduate student who has not attended the University for one or more regular semesters (fall or spring) and wishes to return must file a readmission form.

Undergraduate students who have attended other colleges since their last attendance at LIU must submit official transcripts before readmission will be approved. Students who have not attended for more than five years must reapply to LIU. If readmission is approved, a student's return to LIU is subject to academic requirements as listed in the catalog in effect at the time of readmission.

Undergraduate students wishing to be readmitted into a new program will be advised through the admissions process and evaluated for eligibility for the new program of study. Readmission into specific programs (i.e., cohort based programs) may require the program director's and/or academic dean's approval.

Graduate students who have not attended classes for one or more semesters but less than three years, maintained their maintenance of matriculation status, or have not been granted a leave of absence, must submit a readmission form.

Graduate students who have not attended for more than three years must submit a new graduate application and all supporting credentials required for admission.

Any student who left the University on probation will be readmitted with the same probationary status that was in place during the last term of attendance unless the student provides academic transcripts demonstrating that they have met the requirements of the probation.

If readmission is approved, a graduate student's return is subject to the academic requirements posted in the graduate catalog in effect at the time of readmission.
