

LONG ISLAND UNIVERSITY

HAZARDOUS MATERIALS DELIVERY POLICY

PURPOSE

To ensure that LIU’s Facilities Service Operations adhere to all applicable Federal, State and Local requirements related to compliance with the handling of Hazardous Materials Delivery and Shipping.

STATEMENT OF POLICY

All hazardous materials must be prepared/shipped in accordance with the appropriate federal Hazardous Materials Regulations. Preparation and Shipping procedures must follow regulations stipulated in the following:

- Code of Federal Regulations - Title 49

PROCEDURES

The main procedural requirement stipulates that whether packages are shipped by ground; or by air, shipping documentation (papers) must accompany each hazardous materials package.

DEFINITIONS

CFR: Code of Federal Regulations

POLICY TYPE: OPERATIONS
