## STUDENT HEALTH INSURANCE POLICY

### PURPOSE

To set guidelines for student health insurance requirements.

### STATEMENT OF POLICY

Long Island University requires all residential, clinical, intercollegiate athletics, and international students to maintain health insurance. The University sponsors a Student Health Insurance Plan with below-market rates that provides students with health coverage at school, at their permanent residence, and while traveling or studying abroad. The plan is fully compliant with Federal Health Care Reform and provides students access to a network of doctors, hospitals, and pharmacies.

All eligible students are automatically enrolled in the University-sponsored Plan, but may waive their participation by providing evidence of coverage under a family plan or other policy that meets or exceeds coverage set forth in the University-sponsored Plan.

Information on LIU's Student Health Insurance Plan is found on the University [website](#).
