Visiting Student Procedures & Policies

PROCEDURES
1. The potential visiting student should contact the LIU Global Director of Student Affairs & Administrative Services (DSAAS). The DSAAS will put the Center Director and student in contact with one another.
2. The specific plan of study must meet all LIU Global requirements as indicated in the policy section below.
3. Students must work with their Success Coach to define academic requirements and equivalencies for that semester abroad. Students must take course listings and descriptions to their Success Coach with support from the DSAAS to discuss course equivalencies and required signatures.
4. The student must complete and get signature(s) for discussed plan of study on the Study Abroad Form from all relevant parties.
5. If there are any changes to the schedule after the students arrive at the Center, they must inform the DSAAS and also communicate with their Success Coach in order to get permission to take the course, get confirmation on equivalency, and have it added to the study abroad approval form.
6. Students are responsible to confirm with Enrollment Services to ensure the equivalency accounted for on their transcript.
7. If visiting students have completed the study abroad form for one semester and have decided they would like to remain for another semester(s), they must get in contact with their Success Coach, the current Center Director, and the DSAAS. The same procedure/policy applies.
