

Dear !*FIRSTNAME*!,

While social distancing has become part of our everyday lives, a sense of community has never been more important. With the help of LIU Promise and many student leaders, we continue our rich tradition of a vibrant and exciting student experience.

Dozens of student life programs were held since March, including:

- Virtual Career Success Week
- Health and Wellness Programs
- Student Appreciation Days
- LIU Cares Week of Service
- Weekly Trivia, Open Mic, and Game Nights
- Senior Events

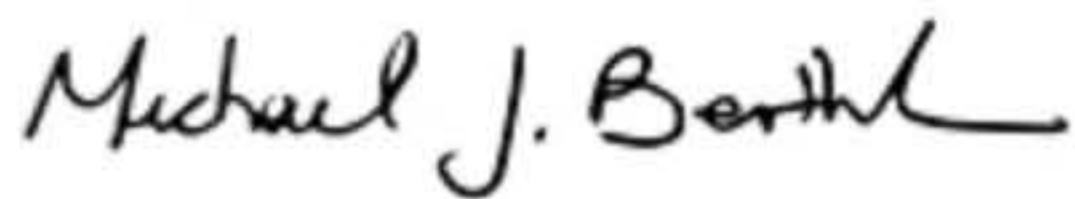

I was also impressed with the hundreds of students who attended our Annual Relay for Life and Student Leadership Receptions. As we begin to plan our fall events, please take a few moments to share your feedback from this semester.

I have been amazed how our community continues to find ways to come together and support one another during this time. Every day you remind me of what it means to be a member of the Shark Family.

I look forward to welcoming you back to campus soon.

Sincerely,

Michael Berthel
Executive Dean of Students
