Dear Faculty,

We hope you are all safe and healthy. Pursuant to Phase Four of the New York Forward Reopening Plan, all faculty will be authorized to return to campus effective this Tuesday, September 1, 2020. We ask that you please enter through the West Gate when arriving on campus.

Each day, before coming onto campus, employees must take the LIU COVID-19 Self-Check (https://certify.liu.edu). This daily check will ask you to briefly assess your health for COVID-related issues before you come to campus to help minimize exposure risk to the campus community.

You must have your LIU ID card available to present to LIU Public Safety. If you have not been cleared by the LIU COVID-19 Self Check, you will not be permitted to enter campus.

To create the safest campus environment possible, we have reviewed the CDC guidelines and are taking the following precautions:

- Offices and classrooms have been assessed to ensure for social distancing and other precautions.
- Face coverings will be available for those who do not have their own.
- Hand sanitizers are installed at the entrances of all facilities on campus.
- Signage about infection prevention is posted to remind people to take precautions.
- Offices, classrooms, restrooms, etc., are being cleaned and disinfected on an enhanced schedule that will be monitored by a cleaning log.

In addition, to the measures that we have taken to make the campus safe, we ask you to take appropriate personal safety precautions as well. Social distancing of six feet is required wherever possible and all employees will be required to wear face coverings in public settings. Wash your hands frequently. Cover coughs and sneezes. Limit the use of shared objects in the workplace and keep your area clean.

We look forward to welcoming you back to campus. Please visit www.liu.edu/coronavirus for additional information.

Sincerely,

Ronald S. Edwards
Acting Executive Director of Human Resources
