

# LONG ISLAND UNIVERSITY

Dear Students,

On behalf of the entire LIU community, thank you for a great semester. I continue to be impressed with Shark Nation's ability and willingness to adapt and succeed in the new online educational environment.

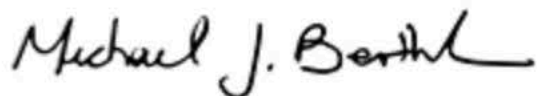

Based on state and federal guidelines and our ongoing assessment of where we are in this pandemic fight, we have made the decision to deliver our courses online for all summer sessions.

Our intent is to begin in-person classes for the fall semester. We will continue to provide you with updates on our reopening plan.

We are committed to providing you with the resources you need to be successful and reach your educational goals. Summer registration remains open. For assistance with **Post** course selections [CLICK HERE](#). For assistance with **Brooklyn** course selections [CLICK HERE](#).

We look forward to welcoming you back on campus this fall.

Stay healthy and safe,
