

LONG ISLAND UNIVERSITY

Dear Students,

As we enter the last few weeks of the semester, I want to first share the tremendous pride I feel in seeing the resilience and strength of Shark Nation. Your ability and willingness to adapt and succeed in the new online educational environment is simply remarkable.

Based on state and federal guidelines and our ongoing assessment of where we are in this pandemic fight, we have made the decision to continue to deliver our courses online for the first summer session beginning May 18, 2020. We will continue to closely monitor the developments of COVID-19 and regularly communicate with you.

Summer registration remains open. For assistance with course selections [CLICK HERE](#).

Please accept our best wishes for the completion of the spring semester. We look forward to seeing you on campus this fall- in the classroom, on the athletic field, and at campus events.

Stay safe and healthy,
