Dear "FIRSTNAME",

As we prepare for our out-of-state residential students to arrive to campus soon, we wanted to update you on some items in order to facilitate your return. You will be provided with your temporary air-conditioned room assignment on one of our residential campuses for the quarantine period upon your arrival to New York.

**Negative COVID-19 Test**

To ensure the health and safety of all resident students, we are asking all resident students to show proof of a negative COVID test result. These results should be scanned and emailed to post-health@liu.edu from your MyLIU email. Please include your name and Student ID number in the subject line. The test results should be within the five days of returning to campus.

In addition, all students are asked to practice proper social distancing, wear masks, and quarantine to the greatest extent possible in their home state before arriving to campus to begin their quarantine.

**LIU COVID-19 Self-Check**

Students will be required to complete the [LIU COVID-19 Self Check](https://www.liu.edu/coronavirus) every day beginning the week before they arrive to campus until they complete their 14-day quarantine. More information will be shared early this week.

**Food Service**

A menu with meal and payment options will be shared as we get closer to your arrival. Students will be able to choose between multiple options and have meals delivered to their residence hall room. There is no cost for residing on campus during the 14-day quarantine, however, students should plan to spend between $400-$500 on meals during the two weeks.

**Quarantine Policies**

- Students must remain in their assigned room at all times. Common spaces and laundry facilities are not available during quarantine.
- The LIU COVID Self-Check App must be completed by 10 a.m. each day.
- There can be no gathering in common rooms, including suite common rooms. A face covering should be used if any interaction with others is required, including answering the room door. A complimentary face covering is provided in each room.
- Cleaning supplies are provided in each suite bathroom. Students are expected to disinfect before and after use.
- Meals are purchased through Aramark Dining Services. Delivery will conducted by Residence Life Staff at established times.
- Garbage bags are provided in each room. Students should leave garbage bags outside their door by 11 p.m. each night. Garbage will be picked up each morning by Custodial Staff.
- No guests are permitted during the fall 2020 semester, including during the 14-day quarantine.
- Students can order food delivery from an outside vendor daily between 12 p.m. – 10 p.m., provided that the order will be delivered directly to the room and is contactless.
- Any student who believes they are experiencing symptoms or receives a positive COVID-19 test should alert residence staff immediately. Separate isolation space is identified if any student was to test positive for COVID-19.
- Students should bring a router to campus for access to WiFi during the quarantine period.

Please join us for a brief 14-Day Quarantine Orientation on August 19 or August 21, 2020 at 3 p.m. on Zoom. In addition, staff will be available for virtual office hours daily for you to ask questions or express any needs while participating in the 14-day quarantine.

Thank you for your cooperation. LIU Promise is open Monday – Friday, 9 a.m. – 5 p.m. Please contact us at 516-299-3737 or liupromise@liu.edu with additional questions.

We look forward to welcoming you home and begin a safe and healthy fall semester.

Sincerely,

Ashley John
Sr. Director of LIU Promise
