Classes for the Fall Semester begin today, September 8, 2020.

As a reminder for students who are studying on-campus, you must take and successfully pass the LIU COVID-19 Self-Check prior to coming to campus each day. This daily check will ask you to assess your health and travel history for COVID-related issues. It is recommended that students set a reminder each day to carefully and correctly complete the survey.

Students will be asked to present an LIU ID at the gate.

Be sure to check your MyLIU schedule one last time before heading to class to ensure you have the right location. Class locations may have recently changed.

While on-campus, it is important you wear a mask at all times, practice social distancing, avoid gatherings, and follow all other guidelines. Together we will protect Long Island University and have a healthy, safe and successful fall semester by respecting ourselves, each other, and Shark Nation.

Best wishes for a successful first day of classes.
