Dear !*FIRSTNAME*!,

As we continue to combat COVID-19, getting your flu vaccine has never been more important. The CDC is urging you to get your vaccine during the 2020-2021 season to protect yourself and the people around you from the flu, and to help reduce the strain on healthcare systems responding to the pandemic.

Long Island University is partnering with Walgreens Pharmacy to host a Flu Vaccine Clinic on campus next week. To participate and maintain social distancing, you must register for an appointment, complete the required forms, and submit your insurance information.

**SCHEDULE AN APPOINTMENT**

Before your appointment, please print and complete the following forms to help expedite the vaccination process:

- [Vaccine Administration Record (VAR)]
- [Vaccine Information Statement (VIS)]

We care about your health and want to make sure you have everything you need to stay healthy.

Sincerely,

Michael J. Berthel
Chief of Student Affairs & Alumni Engagement
